My dear Sir

Allow me to introduce  
to you my partner Mr. Wm  
Morris, who goes to the U. S.  
on important business, and  
who knowing the intimacy  
that subsisted between my  
late father and yourself,  
and how much he held you  
in honor is desirous of making  
your acquaintance.

W. Morris was for

many years intimately connected  
with us before my Father's death,  
and entertained a strong feeling  
of personal regard to him -  
and which was reciprocated.

I mention this that you may  
not deem him merely an English  
Traveller seeking to make the  
acquaintance of the merchants.  
has formed the agitation  
which is now becoming - nay,  
has become the vital one in  
your Country.

I wish I might have the

papers sometimes forwarded  
to me which you used to  
send - I shall be happy to  
pay for them. - They - that  
is your paper specially,  
marks the progress of one  
of the most important move-  
ments now taking place for  
the progress of man, and tho'  
too much engaged to contribute  
personally time to its advance-  
ment, I take a real and lively  
interest in the Anti-Slavery  
movement.)

Should you ever meet with  
Allen F. Spooner, assure him  
of my friendly remembrance. —  
also Mrs. Abbott, H. C. Wright —  
Miss Steele (no longer Miss Steele  
I know) and all others in whose  
recollections I may not have died  
out utterly.

I am

Very sincerely

Yours truly

W. H. Ashurst
